(TTS Rate : 1 US\$ = 124.83 JPY on 28/3/2022)

* Expenses incurred as a result of injury (medical treatment,medicine,hospitalization,examination/testing,surgery,and medical evacuation to the home country)
One hundred percent of expenses are covered up to limitless JPY.
(limitless US\$)

* Expenses incurred as a result of illness (medical treatment, medicine, hospitalization, examination/testing, surgery, and medical evacuation to the home country)
One hundred percent of expenses are covered up to limitless JPY ("Illness" includes Coronavirus disease 2019 (COVID-19)).
(limitless US\$)

* Repatriation of remains to the home country
One hundred percent of expenses are covered up to limitless JPY.
(limitless US\$)

* When the LIMITED TO PERMANENT DISABILITY GRADE is "Set Available," the remuneration target of the injury permanent disability indemnity is limited to the permanent disability which becomes the remuneration rate of Grade 3 or higher in the "Permanent Disability Grade Table."

* When the insured amount of baggage is more than 300,000 JPY, the "LIMITED AMOUNT OF THEFT, ETC. 300,000 JPY" is set. Therefore, the indemnity to be paid due to theft or robbery of baggage, or an incident of non-delivered baggage deposited with an airline, etc. is covered up to 300,000 JPY through the period of insurance. In the case of a corporate blanket policy, it is covered up to 300,000 JPY only when specified in the statement of details attached to the insurance policy.

This document is not an insurance policy but a certificate of the broad outline of the insurance contract identified by the policy number or the certificate number T0000000 mentioned above. It does not necessarily guarantee the indemnity to the insured, which shall be made in accordance with the terms and conditions of the policy. Note that incidental services, such as cashless medical services, etc. are not available with this certificate only. The insured amount is expressed in Japanese yen and is subject to change according to foreign exchange fluctuations if the payment is made in another currency than Japanese yen. This insurance is valid throughout the world. If there are items that are not indicated in this certificate of insurance or contents that are different from the insurance policy,items listed in the insurance policy will be applicable.
